DESCRIPTIONS

- 1 In these conditions the following expressions shall have the following meanings.
- (1) 'the company' shall mean Clear Design Pty Ltd. and where the context so permits any subcontractor for the said company.
 - (2) 'Goods' shall mean the item or product, or anything described in the contract between the company or the buyer for the sale or supply of goods.
 - (3) 'the Buyer' shall mean the person, firm, or company with whom any contract to sell goods is made by the Company whether directly or indirectly through an agent or factor who is acting for or instructed by any such person, firm or company of whose actions are subsequently to the contract ratified by the actual buyer.
 - (4) 'Company's Premises' shall mean the premises mentioned in the Company's quotation or other contractual document or if not so mentioned shall mean the Company's works at Unit 3, Prestige Park, Voortrekker Road, Maitland.
 - (5) Custom Goods shall mean any product or item that has been uniquely designed/adjusted/modified from scratch to the buyers' requirements.
 - (6) Catalogue Goods shall mean existing product designs owned by the Company, available to view on the Clear Design website.

GENERAL

2

All quotations are made, and orders accepted by the Company subject to these Conditions of Sale (these "Conditions") which supersede any previous terms and conditions of the Company. Any provisions, stipulations or conditions made by or contained in any document issued by a customer of the Company ("the Customer") are hereby excluded. In the event the Company and the Customer enter into a separate written agreement, these Conditions shall apply to the extent that they do not conflict with the terms of such agreement.

ORDER

3

- (1) The Company requires written confirmation for your order together with all your invoicing details which will be included on your invoice from the Company.
- (2) On receipt of your order confirmation (Company Order No.) and a copy of Clear Design's quotation acceptance duly signed, the Company will issue an invoice for due payment.
- (3) No order will be processed until full payment is received.
- (4) If any special packing instructions together with shipping details are required, this must be confirmed at time of order confirmation with Clear Design. This is needed to ensure all relevant arrangements are made for compliance to your request, plus confirmation of any associated additional costing.
- (5) Clear Design operates on a first come first served basis. Please place your order timeously to meet your deadlines.

- (6) Clear Design will send a confirmation email for all received orders together with a tax invoice for due payment, prior to release of works order into production.
- (7) If required, Clear Design will send through drawings for approval after receipt of payment. On large orders, arrangements for the approval and sign-off of a pre-production sample will be made prior to completing the order balance.
- (8) Client to confirm all relevant information so that an accurate costing can be confirmed. Please supply detailed sketched drawings or if available, computer aided drawing files in DFX or AI format, plus a photograph or sample of the product.
- (9) The client acknowledges that all relevant product details and the intended use of the product have been accurately portrayed and details discussed with Clear Design to be factually true, for the Company to correctly manufacture the product for its intended purpose.
- (10) The client acknowledges that all approved/sign-off drawings or pre-production samples submitted by the Company are correct at the time of approval and that any changes requested during production will incur additional costs for the client's account.
- (11) The client acknowledges and agrees to the Terms and Conditions of Clear Design Pty Ltd.

REFUNDS

9

- (1) Once your return is received and inspected, we will send you an email to notify you that we have received your returned item. We will also notify you of the approval or rejection of your refund.
- (2) If you are approved, then your refund will be processed, and a credit will automatically be applied to your credit card or original method of payment, within a certain number of days.
- (3) If a replacement needs to be sent we require a few days to process the exchange.
- (4) Only standard priced items may be refunded. Sale items cannot be refunded.

Late or missing refunds

If you haven't received a refund yet, first check your bank account again.

Then contact your credit card company, it may take some time before your refund is officially posted.

Next contact your bank. There is often some processing time before a refund is posted.

If you've done all of this and you still have not received your refund yet, please contact us at darren@clearedsignndisplay.com.

REPAIRS

10

- (1) Should the customer request repairs of their goods, they will be subject to material and production fee of what is required to be repaired.
- (2) Payment needs to be reflected in the company's bank account before the order is processed.

EXCHANGES

11

- (1) Undamaged standard catalogue products can be exchanged, subject to inspection first before the exchange takes place. Additional cost, if required, must be paid before the new product can be collected or delivered.

SAMPLE COSTING

12

- (1) Samples are billed at the cost for producing a single unit or will be subject to the minimum production and print set up fee as defined above. *Whichever is the greater value will apply in determining the product sample costing.*
- (2) If requested, pre-production samples and/or product drawings will only be supplied to clients on confirmation of order payment.
- (3) Should *no design changes* to the requested pre-production sample be required, received from Clear Design for approval and sign-off, then the sample will be included as part of the order and the client will not be charged for the sample.
- (4) Any requested changes to the first pre-production sample received from Clear Design will necessitate that this first sample be charged for at the selling price of a production unit, as this first sample cannot be regarded as part of the production order.

SAMPLE TESTING & EVALUATION

13

- (1) Clear Design welcomes the opportunity to assist clients with the design and evaluation of samples to meet their display requirements.
- (2) Although this option could prove to be both costly and time consuming, it is an option worth considering in ensuring a quality product, prior to final order confirmation and comes from Clear Design's many years of experience working closely with clients in supplying quality products.
- (3) Even with sample testing and evaluation there are various unknown factors that may affect displays over a period such as wear & tare on basic display unit

materials, plus changes and improvements to both products and display quality.

- (4) Clear Design advises that it does not provide any form of guarantee or replacement policy pertaining to the cost of first-generation display units.
- (5) Any changes are quoted and treated as a new product design, replacing the old existing design.

PACKAGING

14

- (1) Clear Design will automatically package products in bubble wrap, plastic bags or in a cardboard box to allow for ease of handling when collecting. Please be aware that this basic packaging is not correct for shipping with Courier companies.
- (2) Special packaging will be provided on request from Clients at the time of order placement. Any associated additional cost will be confirmed in a final invoice.
- (3) Double walled cardboard boxes will be used to package bubble wrapped items including the use of polystyrene for additional protection, when needed.
- (4) For Safety all packaged items will be labelled - **FRAGILE, HANDLE WITH CARE & DO NOT DOUBLE STACK**

PRODUCT STORAGE & HANDLING

15

- (1) Clear Design is a custom manufacturer with limited space for the storage of finished products and as such would appreciate clients to accept delivery of orders as soon as they are completed.
- (2) Clear Design will not be held liable for any damage to products beyond their direct control being malicious or other, including damage to printing work caused by the poor handling of products by client's staff or contractors.
- (3) It is the responsibility of the client to correctly instruct all staff and contractors to safely store and handle products received from Clear Design.
- (4) All acrylic products, including printed artwork, must only be cleaned by using a clean light soapy water solution and soft, clean cloth for drying. Ink will be damaged if any sharp object is rubbed against the ink surface.
- (5) Acrylic material and printed artwork will be damaged if cleaning spirits, alcohol or liquid thinners is applied to surface.

SHOPFITTING AND PRODUCT INSTALLATION

16

- (1) Clear Design is a product manufacturing business and as such does not offer site installation & shop fitting services.
- (2) Clear Design will assist clients' contractors by giving advice on the correct handling and setting up procedures of display units.

- (3) Once completed, product/display units have been dispatched from Clear Design's factory ownership and responsibility reverts to the client /client's contractors to safeguard the products during transport /storage, site installation and setting up of displays together with all associated costing.
- (4) As manufacturing delays do happen from time to time, Clear Design will make every effort to assist and help meet client's delivery dates and planned installation/ shopfitting schedules.
- (5) Clear Design will not entertain any request pertaining to the installation and shopfitting costs due to unforeseen delays beyond their control in manufacturing which may affect installation.
- (6) Clear Design will not take responsibility for products incorrectly installed, damaged or become faulty during the handling of product installation.
